Dear Sir,

**TRANSMITTAL OF SUBSTITUTE DECLARATION and POWER OF ATTORNEY
and
REVOCATION OF ALL PREVIOUS POWERS OF ATTORNEY AND
NEW POWER OF ATTORNEY ON BEHALF OF ASSIGNEE**

Applicants have recently discovered an inconsistency with respect to the Declaration filed on January 29, 1999 in connection with the above-captioned patent application. Specifically, that Declaration listed the parent application, PCT/CA97/00264, as a prior foreign application rather than a prior U.S. application. This inconsistency has been corrected on the enclosed substitute Declaration and Power of Attorney. Applicants request that this document be made of record.

Applicants also enclose a Revocation of all Previous Powers of Attorney and New Power of Attorney executed on behalf of Assignee, bearing a new correspondence address for this application. Applicants request that the new Power of Attorney and correspondence address be made of record.

It is believed that no fee is required in respect of these documents. However, should a fee be required, it may be charged to deposit account no. 17-0110.

Respectfully submitted,

Stephen J. Scribner
